

NERF GUN PARTY

HIRERS DISCLAIMER

I would like you to be aware that the games do involve the firing of foam darts, moving around game scenery in the game area. Safety brief will be given at the start of the games, safety glasses provided and we recommend that reminders are shouted out during game play about running, but children do get excited during game play and there is a risk of injury from falling/tripping over or clashing into other players or scenery.

We advise that you bring contact numbers of you guest with you in case of emergency.

If we feel that a child is not listening to members of staff or is misbehaving and spoiling the party for others, we will excuse them from the games.

The staff will organise games and game play for your guests, but your guests are your responsibility whilst not in the game area.

The person(s) hiring the studio and its equipment will be responsible/liable for any damage or injury occurring from or as a result of misuse or reckless use.

A member of staff checks and fills in a Health & Safety Party Check List before each party to ensure that all the equipment is safe and in working order.

Party Party Norwich, SESMA UK and its staff cannot accept any responsibility for any loss of belongings or injury caused to anyone using the equipment or studio.

I have read the above and fully understand and accept the above. I am aware that whilst in my care I am fully responsible for the studio and its equipment and will pay for any loss or damage that may occur.
