In the event that it overheats, or losses power, switch the blower off at the mains then switch it back on again 1 or 2 minutes later, and it should restart.
If it fails to start, please speak to the member of staff in reception.

Please note that all persons using the bouncy castle, sumo suits, crash mats and any other equipment do so at their own risk.

The person(s) hiring the studio and its equipment will be responsible/liable for any damage or injury occurring from or as a result of misuse or reckless use.

These guidelines are for the safety of all people using the equipment, and it is the sole responsibility of the hirer to ensure they are fully adhered to at all times.

A member of staff checks and fills in a Health & Safety Party Check List before each party to ensure that all the equipment is safe and in working order, after which it is the responsibility of the hirer to supervise the party and the guests.

Party Party Norwich & SESMA and its staff cannot accept any responsibility for any loss of belongings or injury caused to anyone using the equipment or studio.

I have read the above agreement and fully understand and accept the conditions as above. I am aware that whilst in my care I am fully responsible for the studio and its equipment and will pay for any loss or damage that may occur.
